Code of Conduct for Football

Football is the national game of which we should all be proud. Being involved with the game at any level requires accepting a personal level of responsibility towards the game, yourself and others. To maintain and enhance the reputation of the sport you are accepting responsibility to endorse the general principles of equality, trust, respect, integrity and fair play in all Club related activities.

Code of Conduct for Coaches/Managers

Coach/manager attitudes and behaviors are the key to establishing positive attitudes and good ethical practice within the Club as well as the local community. Moral concerns as well as consideration of the health, safety and welfare of young people must always override a 'win at all costs' football orientated attitude. Remember the primary aim of the Club is "to educate and develop through football an individual's physical, mental, social and moral capabilities, so as to promote socially inclusive behavior and valued citizenship". As a football coach, assistant or helper, you are therefore accepting that you will:

1. Respect the rights, dignity and worth of each and every person and treat equally within the context of the sport.
2. Place the wellbeing and safety of each player above all other considerations, including the development of performance.
3. Adhere to all guidelines and rules laid down by The Football Association and football competitions that the Club is affiliated to.
4. Develop an appropriate working relationship with each player based on mutual trust and respect.
5. Not exert undue influence to obtain personal benefit or reward, nor use or tolerate inappropriate language.
6. Encourage and guide players to accept responsibility for their own behavior and language.
7. Ensure that the activities you direct or advocate are appropriate for the age, maturity, experience and ability of players.
8. Clarify with the players (and, where appropriate, the parents) exactly what is expected of them and also what they are entitled to expect from you.
9. Co-operate with other specialists (e.g. officials, doctors and child support agencies) in the best interests of the player.
10. Promote the positive aspects of the sport (e.g. fair play) and never condone violations or behavior contrary to the spirit or Laws of the Game, or encourage the use of prohibited substances or techniques to improve player performance.
11. Consistently display high standards of behavior and appearance.
12. Adhere to all of the Club's policies and bring any grievances/concerns to the attention of the relevant parties.

Procedure to be adopted if approached by another football club

Scouts from other football clubs/academies will sometimes make direct approaches to individual players and/or their parents/guardians at a football match. In all circumstances, please advise them to contact the appropriate CUFC team manager or CUFC Football Co-ordinator. On production of an official Club identification, CUFC will then give all reasonable cooperation to such discussions consistent with parent/guardian/player wishes ensuring the effective fulfillment of CUFC commitments.
